Administrator Enck - I am sending you a copy of a letter that was emailed to NYSDEC Commissioner Seggos. Our committee was formed due to frustration of residents not being informed of our current situation as a class 2 Superfund Site. Although, our understanding DEC has assigned a project manager to the Town of Petersburg there has been no contact from him. We are currently seeking a representative from NYSDEC to come and speak with us so that we have a better understanding of the Superfund and are rights as citizens.
